Will be mailed December 19, 2020 in mail

ATTN: Donald John Trump, President of the United States

ATTN: U.S. Secretary of Defense, 1000 Defense Pentagon Washington, DC 20301-1000

The White House, 1600 Pennsylvania Avenue, NW, Washington, DC 20500

Mr. President and U.S. Secretary of Defense,

I am Brian David Hill, formerly of USWGO Alternative News and I am an ally of QAnon because I am a serious supporter of Draining the Swamp that U.S. President Donald John Trump had promised us during his first election campaign. JusticeForUSWGO.wordpress.com (or .NL).

This letter will not be published anywhere as this is a **secret letter** to the both of you. I believe I may have been a target of the corrupt CIA or corrupt NSA or both since I had operated USWGO Alternative News between 2009 to 2012. I believe I am still being targeted even till this day.

The evidence I am presenting in this **secret letter** are screenshots of text messages which I received after somebody who I assumed presumably hacked my TracFone or listened in to it. This came after I heard about the secret indictment and arrest of Millie Weaver over a documentary she had released entitled "ShadowGate". I started talking with my family in the presence of my cell phone mistakenly and my friend Stanley Bolten posted tweets on Twitter under Ben Gates that the CIA is involved in targeting me and ruining my life, framing me with child pornography, hacking into my computer and my website uswgo.com and hacking my computers before I was framed. The mysterious greeting cards that came from Tennessee with no return address, with some words "Jay" and "Snow White". Snow White is a CIA supercomputer. One greeting card telling my mother that it is no fun feeling sick or something to that effect. They knew somehow that we were being poisoned slowly with CARBON MONOXIDE GAS before we ever found out about it in 2019. That is an assassination attempt on me and my mother, I believe to the best of my knowledge. Prior to that, my mother's car breaks kept on not working and we had to repeatedly go back to the Auto Shop to get them fixed, it was odd as well. My mother thought at one point that I was getting somebody angry in the Deep State Swamp. I think that was 2016 or 2017. The card person started in late 2017.

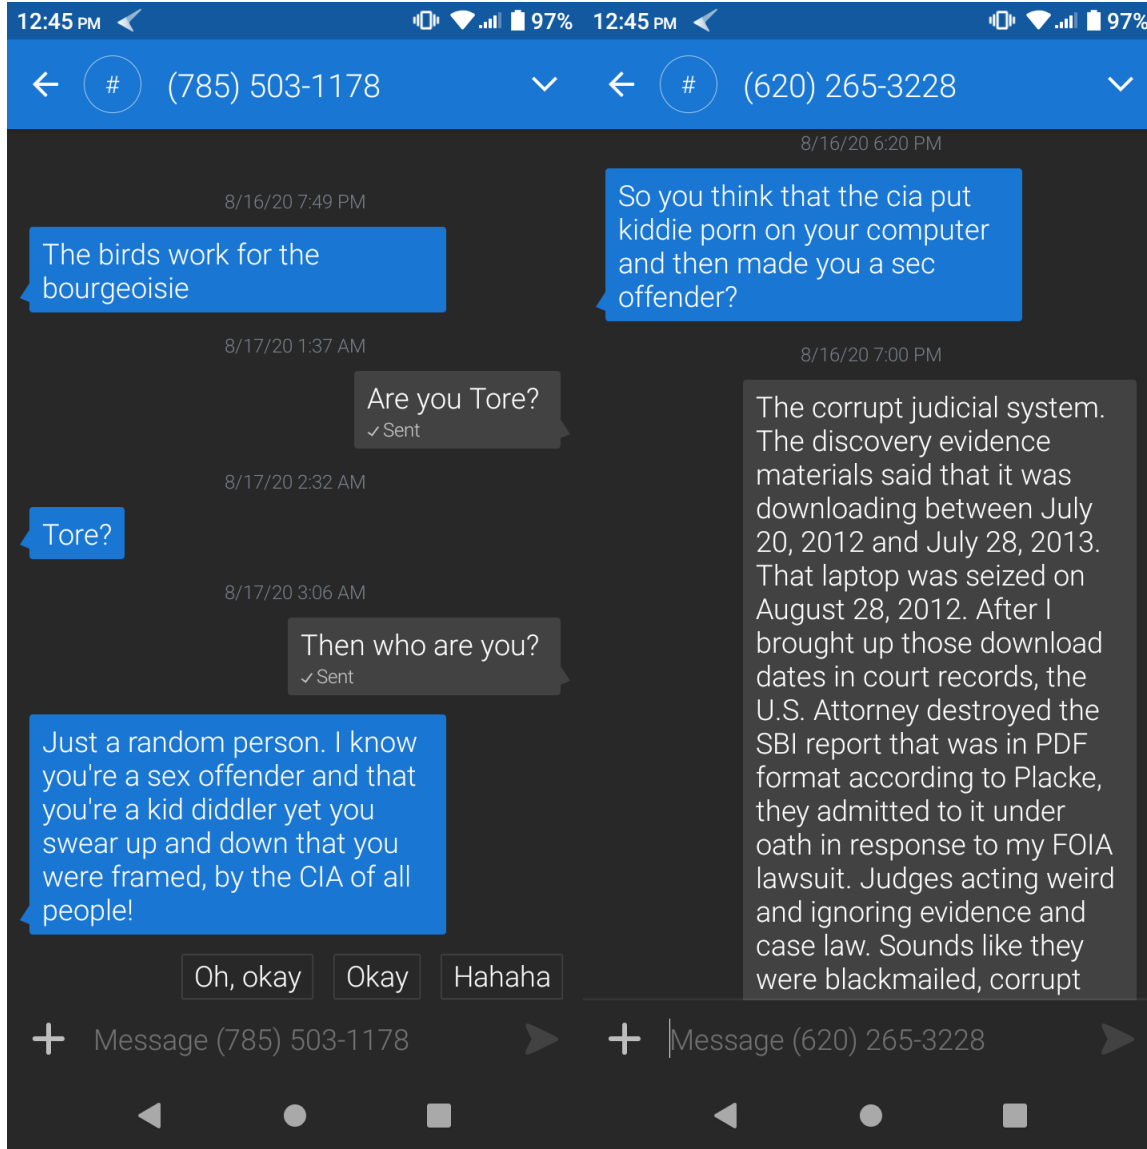

Anyways, After the documentary ShadowGate, I started discussing that I believe the corrupt elements inside of the CIA was behind the threatening greeting card about conducting a controlled action against my mother if she didn't cease her YouTube videos.

Then out of the blue while I was at my mother's River House in Bassett, VA, I started getting text messages saying weird stuff about me claiming the CIA set me up and framed me. How would they know that? Who knew my cell phone number? How did they get it? And how would they know the conversations that I was having?

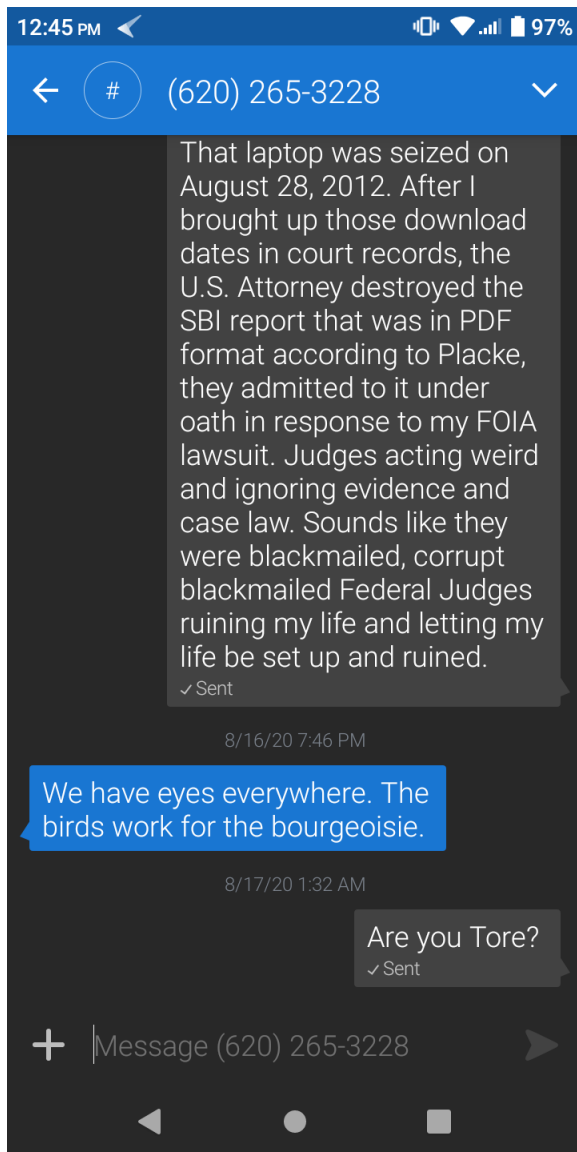

So, I have good faith reason to assume that somebody corrupt within the CIA or NSA framed me with child pornography back in 2012, it kept downloading for 11 months after my

computer was seized by law enforcement. That is impossible unless I had pissed off somebody within our corrupt intelligence agencies.

The birds referring to spies I am assuming, saying that we have eyes everywhere. The mysterious text messaging person knew what I was verbally talking about, knew it was me talking about it, knew my name and that I was wrongfully placed upon the Virginia registry.

I first thought that it was Tore who worked with Millie Weaver but I don't really know. This person sounds like a CIA or NSA operative letting me know in a way that I am being surveilled, that they are monitoring everything I am doing and are active working against me.

This is **TARGETED HARASSMENT** and it is a felony; it is unconstitutional and is highly treasonous.

I will not put up with this harassment and threats from the Deep state Swamp CIA and NSA. I will not put up with what is happening to me at all.

So, I am reporting this to The White House and to the Secretary of Defense as well.

Because of the consistent and secretive nature of these TARGETED HARASSMENT attack campaigns against me and my family, I am classifying this as a **SECRET LETTER**, to President Trump as the Commander in Chief and to the Secretary of Defense. I will not ask my friends or family to transmit this **SECRET**

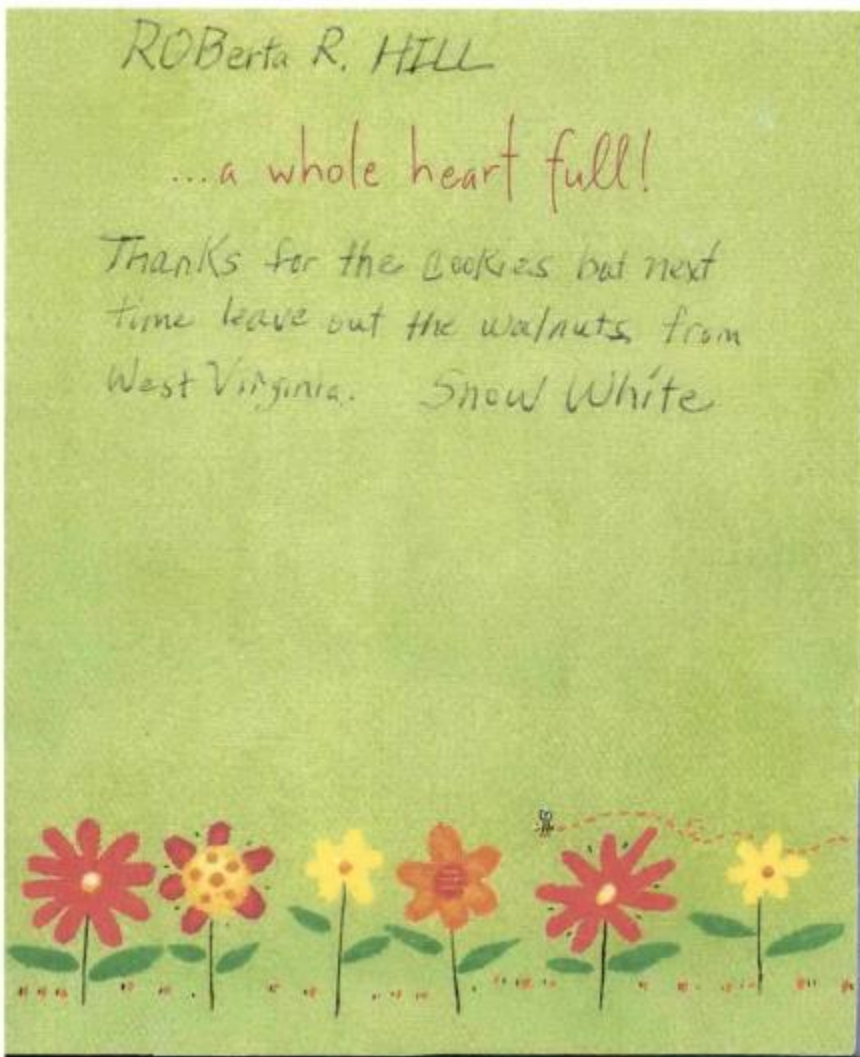

LETTER by any electronic means as I know it can be intercepted by the Deep State Swamp Shadow Government forces. Whoever is targeting me knows me well. I bring forth this evidence and testimony to the Pentagon and to President Trump, proof of **TARGETED HARASSMENT**.

I want to help General Flynn, Sidney Powell, the Digital Soldiers, I want to be useful again in fighting the NWO. Mr. President, please I beg of you to hold those Deep State criminal Swamp people accountable. Where We Go One We Go All.

This evidence is hereby submitted to you. I hope an investigation can be conducted into the targeted harassment campaign that had started since I had run USWGO Alternative News at uswgo.com from 2009 to September, 2012. The mysterious and may be threatening text messages seem connected to the anonymous greeting card attacks as well.

I paste some scans of the greeting cards.

Snow White is a CIA supercomputer reported by only news article I had witnessed.

Also I heard that QAnon reported on the Snow White supercomputer system as well.

I'll be thinking of you
warmly and often...
and always with a wish
that you're doing better
every day.
It's time to stop all
the nonsense and to
WAKE UP! Sickness
is horrible.
Jay

It actually didn't say no fun feeling sick or may have but this scan says "Sickness is horrible". Jay is a name like somebody of one of the Founders of American Intelligence. So, whoever had sent that greeting card knew that we were sick, while we were suffering under carbon monoxide poisoning by the gas flowing into both of our Apartments from October, 2017 till January, 2019.

The proof is here, **we are under TARGETED HARASSMENT**, and presumably by the CIA or NSA, or somebody within either of those agencies or both. Me, my mother, and possibly my grandparents are targets of this. I request an investigation into this matter in a safe and secret/classified way. I have type one brittle diabetes. This harassment is slowly killing me.

I ask that all of the TARGETED HARASSMENT by the CIA and NSA come to an end. I have Autism, my health is deteriorating the more this continues. If they continue this I am likely going to die. This targeted harassment campaign is wrong, it is unconstitutional, and must end as it violates my Freedom of Speech, Freedom of Press, violates my rights as a patriot.

God bless you!
